CURBSIDE GARBAGE COLLECTION GUIDELINES

SCHEDULED COLLECTION DAYS

West side of Pleasant River: TUESDAY

East side of Pleasant River: WEDNESDAY

GENERAL GUIDELINES

- All items must be roadside no later than 7:00am on the scheduled collection day.
- Items must be bagged in standard size garbage bags, broken down or cut into pieces no larger than 3' x 3' x 12" and must weigh less than 50 lbs.
- Garbage should not be put in paper bags or boxes.
- Town of Brownville Sanitation Workers are not responsible for collecting loose garbage.

THE FOLLOWING ITEMS SHALL BE CONSIDERED UNACCEPTABLE FOR CURBSIDE COLLECTION:

- White goods such as stoves, refrigerators, washers or other large appliances.
- Construction and demolition debris.
- Grass clippings, weeds, plants, shrubs, leaves, brush, branches, tree stumps or logs.
- Bulky items such as mattresses, box springs, couches, chairs, and carpets.
- Hazardous waste: all hazardous waste as defined by federal and state regulatory agencies.
- Biological waste, including dead animals or portions thereof or other pathological waste.
- Infectious waste: waste which is hazardous by reason of contamination with infectious materials, i.e. "red bag" waste.
- Human fecal waste.
- Animal fecal waste which is not contained in a plastic bag and mixed with speedy dry, cat litter or similar absorbent material.
- Flammable waste, liquid waste or sludge.
- Waste oil, lubricants or fuels, including gasoline and propane.
- Powder and liquid pesticides, herbicides and fungicides.
- Paint waste and pigments.
- Electrical capacitors, transformers or parts.
- Laboratory chemicals and biohazard materials.
- Plated metal parts, car parts and tires.
- Stove and fire ash.
